por JOACHIM KOERPER

"My adventure in the gastronomy world started 50 years ago, in Germany, my home country. In the following 5 decades, I lived and cooked in several countries, where I got my training and experience as a Chef as well as a man. This Menu is a voyage through that life route, with culinary creations, based on the places that meant the most to me. I hope that, through them, you will be able to find my essence."
