TARTUFO D'ALBA

Trufa branca d'Alba

"Os homens mais instruídos têm sido questionadas quanto à natureza deste tubérculo, e depois de dois mil anos de discussão e debate a sua resposta é a mesma que era no primeiro dia: não sabemos. As próprias trufas foram interrogadas, e responderam simplesmente: comam-nos e dêem graças a Deus"

"The most learned men have been questioned as to the nature of this tuber, and after two thousand years of argument and discussion their answer is the same as it was on the first day: we do not know. The truffles themselves have been interrogated, and have answered simply: eat us and praise the Lord."

Alexandre Dumas (1802-1870)
